

We would cordially invite you to the

Baltic Forum on Human Rights Education & Democratic Citizenship

on 17 October 2017 in Hotel Olümpia, Tallinn

Baltic Forum on Education for Democratic Citizenship and Human Rights Education (**EDC/HRE**) brings together teachers, representatives of educational authorities, non-governmental organisations and other stakeholders from the three Baltic countries – Estonia, Latvia and Lithuania. Together we will discuss the methods of teaching controversial issues and developing the ability of students to assess information from media and social networks. We will present the results of the current project as good practice and have teachers share their experiences in the matter. Together we shall look into the future and discuss cooperation possibilities between the Baltic countries in education for democratic citizenship and human rights education.
